(no school)
Interested in
Fall Break Camp?
Send an email to:
camps@rmaschool.org

Thank you, Families!

For all of your help with the trip
to Anderson Farms on
September 28th!
It was a wonderful day at the
pumpkin patch!

Just a reminder...

Colder weather is on the way!
Be sure to bring a jacket and check
your child's cubby for warm
changes of clothing.
Thank you!

Montessori and More

Be sure to grab a copy of two resources
available in the Montessori and More
folder inside our front doors.

- A summary from the Center on the Developing Child at Harvard University. This piece discusses how early childhood experiences impact brain development and determine future life success.
- Information from the North American Montessori Teachers Association regarding the Montessori classroom environment, materials and organization.

In The Studio

Dear Families,

Thank you for visiting the studio on Back to School Night!

Last month, the children were very busy exploring different areas of the studio, learning all about Art 101 and experimenting with primary and secondary colors.

ART: So now the children are ready to take the first step to create their own masterpieces and our inspiration will be- Piet Mondrian. Children will be introduced to different kind of lines, how to hold a scissor and gluing.

SPANISH: Days of the week, months of the year, seasons and weather.

SCIENCE: Introduction to Vertebrate and Invertebrate. Science Experiment - Watch seeds grow.

GEOGRAPHY: We will talk about the Solar System.

SEASON: Exploring the harvest season and apple tasting.

CREATIVE AREA: Introduction to clay.

FOOD PREP: Banana cutting.

Please do not hesitate to email me with any questions or concerns Kris.Palit@rmaschool.org.

Happy Fall,
Ms. Kris & Ms. Janté
