and
More**

Peer-to-Peer Learning

One of the incredible benefits of the Montessori classroom is the opportunity for peer-to-peer learning. Children are able to learn from their peers as well as teach and be taught by children of other age groups. The multi-age classroom allows for deeper, more beneficial peer-to-peer learning experiences. Please take a copy of the article provided on the RMA News Board to learn more. The link below will take you to a video that further discusses Montessori peer-to-peer learning. Thank you!

<https://vimeo.com/78782805>

We wish all of our wonderful families a very
Happy Thanksgiving!
We are thankful for you!

**Learning
and
Creating**

In the Studio

Dear Parents,
Our studio children were busy bees in the month of October. We worked on several topics including learning about the artist, Piet Mondrian. We studied different kinds of lines, primary colors and the signs of fall. We also learned about the life cycle of the pumpkin and created our classroom scarecrow.

November 🍁

Besides talking about Thanksgiving, we will be working on various topics this month:

Science – Senses (nose) and introduction to smelling jars; teacher directed experiment (see a plant drink).

Geography – Lakes and Islands (books and picture cards; create a lake & island with clay).

Season - Fall/Thanksgiving (books and picture cards).

Art - Shapes around us (introduction to various shapes, recognizing shapes in our environment and shape collage).

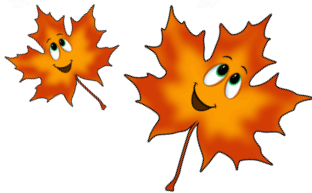

Artist of the month – Kandinsky

Spanish – Alphabet and Numbers

Wishing everyone a very happy and healthy Thanksgiving 🍁🍁🍁

- Ms. Kris & Ms. Janté
